Communication skills

I think that i have a strong communication skill, i am very open to people i have worked a lot with different kind of people from my country and other countries and i think that i gained a lot of knowledge and experience through my work and from my courses and trainings that i did.

Job-related skills

I have worked since i was 16 years old and since then i make my own money. I am a hardworking person i always do my best at anything that i work because i want people to have a good opinion about me and of course i want that my bosses or the company where i work to be satisfied with me and they all have been, anywhere that i worked i still have good contact with them and we remained good friends since then, so yes i give my 100% all the time.
